INFORMATION AND NOTICE TO THE SHAREHOLDERS OF

UBP MONEY MARKET FUND (CHF) UBAM - MONEY MARKET CHF

Dear Shareholders,

The Board of Directors of UBAM and the Board of Directors of UBP MONEY MARKET FUND (the "SICAV") inform you of the decision taken by circular resolution, i.e.:

The SICAV's sub-fund UBP MONEY MARKET FUND (CHF) (the "Absorbed Sub-Fund") will merge with the UBAM - MONEY MARKET CHF, a sub-fund of UBAM (the "Absorbing Sub-Fund"), the latter absorbing the former (the "Merger").

This merger is motivated by the fact that the Absorbing Sub-Fund offers the Absorbed Sub-Fund's shareholders the same investment approach while allowing them to be shareholders of a sub-fund which complies with the UCITS framework and, consequently, and thus greater visibility. Both the Absorbed Sub-Fund and the Absorbing Sub-Funds qualify as Standard Variable Net Asset Value Money Market Funds (hereinafter "MMF") within the meaning of Regulation (EUR) 2017/1131 of the European parliament and of the Council of 14 June 2017 on money market funds (hereinafter "MMFR").

The merger will become effective on 5 July 2024 (the "Effective Date").

Starting from the Effective Date, the SICAV in its entirety will be dissolved without liquidation, provided that the extraordinary general meeting ("EGM") that will be held on 17 June 2024 approves such operation, in accordance with the Article 27 of the SICAV's articles of incorporation as well as with the recommendations of the SICAV's Board Directors, which advises you to take part in this Merger in your best interests as shareholders of the Absorbed Sub-Fund.

On this very day, you will also receive or will already have received an invitation to attend the EGM during which you are invited to decide on the liquidation and Merger operations on 17 June 2024. For more details about the EGM, please refer to such invitation.

On the Effective Date, the Absorbed Sub-Fund will be the last active Sub-Fund within the SICAV, as the three other mergers of the SICAV's current active Sub-Funds will have been carried out by then.

As a consequence of the Merger, the SICAV will cease to exist on the Effective Date.

The investment policies and objectives of the Absorbing Sub-Fund and the Absorbed Sub-Fund are the same and display the exact same characteristics as MMF, namely:

- Their categorisation (both are Standard VNAV MMF);
- The eligible assets they are allowed to invest in as per MMFR;
- Their investment restrictions;
- Their use of financial derivative instruments (for hedging purpose relating to interest rate or exchange rate risks); and
- Their standard investor profile.

These similarities are justified by the fact that the Absorbing Sub-Fund was created within UBAM to achieve the abovementioned rationale (i.e: providing the Absorbed Sub-Fund with a wider exposure to money markets by merging in a UCITS sub-Fund).

Key Differences:

The Absorbed Sub-Fund, which is organized under the form of a SICAV registered under Part II of the

Luxembourg law of 17 December 2010, as amended (the “Law”), and is subject to the Alternative Investment Fund Directive 2011/61/UE (“AIFMD”), will be merged into the Absorbing Sub-Fund, **which is a UCITS** Sub-Fund within the meaning of Part I of the Law and Directive 2009/65/EC relating to undertakings for collective investment in transferable securities (the “UCITS Directive”).

Consequently, and while both Sub-Funds are Standard Variable Net Asset Value MMF as defined in the MMFR, the Absorbing Sub-Fund will be subject to investment restrictions in relation with the diversification of risks that are stricter under the UCITS Directive than in the AIFMD, respectively Part II of the Law. Shareholders of the Absorbed Sub-Fund are invited to acquaint with the UCITS Directive for more details in anticipation of the Merger.

The management fees and ongoing charges are mentioned in the below table.

The shareholders of the Absorbed Sub-fund will receive shares of the Absorbing Sub-fund of the same Type and having the same characteristics (currency, capitalisation, distribution) as the shares held in the Absorbed Sub-fund, as shown in the below table:

Absorbed Sub-fund				Absorbing Sub-fund			
UBP MONEY MARKET FUND (CHF)				UBAM - MONEY MARKET CHF			
ISIN	Class	Applicable Management fee	Ongoing charges	ISIN	Class	Applicable Management fee	Ongoing costs (excluding transactions costs)
LU0116118851	AC CHF	0.10%	0.29%	LU2661245972	AC CHF	0.20%	0.39%

The other fees charged to the Absorbing Sub-fund are identical to those applied to the Absorbed Sub-fund.

All the Absorbed Sub-Fund’s assets will be transferred to the Absorbing Sub-Fund on the Effective Date. The contribution of the assets of the Absorbed Sub-fund will be done in compliance with the investment policy of the Absorbing Sub-Fund. It is hereby specified that, despite the nature of the Absorbed Sub-Fund’s assets coming from an alternative investment fund subject to different investment restrictions than the Absorbing Sub-Fund, which is a UCITS sub-fund, the contribution of the assets of the Absorbed Sub-Fund will be done in compliance with the investment policy of the Absorbing Sub-Fund.

Consequently, the merger will have no negative impact on the performance and the composition of the Absorbing Sub-Fund’s portfolio. Also, no rebalancing of the Absorbing Sub-Fund’s portfolio will be carried out before or after the Merger.

Absorbed Sub-fund	Absorbing Sub-fund
UBP MONEY MARKET FUND (CHF)	UBAM - MONEY MARKET CHF
SRI = 1	SRI = 1

The Absorbing Sub-Fund and the Absorbed Sub-Fund have the same SRI (1).

The shareholders are advised to seek information on the potential impact the planned Merger may have on their personal taxation.

The cost of this Merger will be borne by UBP Asset Management (Europe) S.A., Luxembourg.

As from the date of this notification and until the carrying out of the Merger decision, (i) no shares of the Absorbed Sub-Fund will be issued but (ii) it shall continue to buy back its shares.

Shareholders of both the Absorbed Sub-Fund and the Absorbing Sub-Fund who do not agree with the Merger can ask for the redemption of their shares free of charge until 1pm on 28 June 2024.

Shareholders of the Absorbed Sub-Fund who have not requested the redemption of their shares by 1pm on 28 June 2024 will be allocated corresponding shares of the Absorbing Sub-Fund according to the above table, and will be considered, starting from 5 July 2024, as shareholders of the Absorbing Sub-Fund, with the full rights associated with such status.

The calculation of the exchange ratio will be made on 5 July 2024 by dividing the net asset value (NAV) per share of the Absorbed Sub-Fund dated 4 July 2024 by the NAV of the corresponding share class of the Absorbing Sub-Fund dated 4 July 2024. The calculation of the exchange ratio will be checked by Deloitte Audit Sàrl, the auditors of UBAM and the SICAV.
