4 November 2024

Dear Unitholders,

The board of directors (the "**Board of Directors**") of the Management Company, has decided to proceed to a merger by absorption of the Credit Suisse (Lux) Swiss France Bond Fund (the "**Merging Sub-Fund**"), a sub-fund of CS Investment Funds 14, a *fonds commun de placement* incorporated under the laws of the Grand Duchy of Luxembourg, registered with the Luxembourg Trade and Companies Register under number K 673 (the "**Merging UCITS**") into the Receiving Sub-Fund in compliance with article 1(20)(a) of the law of 17 December 2010 on undertakings for collective investment as amended (the "**Merger**"). The Merger shall become effective on 11 December 2024 (the "**Effective Date**").

This notice describes the implications of the subject Merger. Please contact your financial advisor if you have any questions on the content of this notice. The Merger may impact your tax situation. Unitholders should contact their tax advisor for specific tax advice in relation to the Merger.

Capitalized terms not defined herein have the same meaning as in the prospectus of the Receiving UCITS.

1. Key aspects and timing

- 1.1 The Merger shall become effective and final between the Receiving Sub-Fund and the Merging Sub-Fund and vis-à-vis third parties on the Effective Date.
- 1.2 On the Effective Date, all assets and liabilities of the Merging Sub-Fund will be transferred to the Receiving Sub-Fund.
- 1.3 No general meeting of Unitholders shall be convened in order to approve the Merger.
- 1.4 Unitholders of the Receiving Sub-Fund who do not agree with the Merger have the right to request, until the 4 December 2024 included, the redemption of their units or the conversion

of their units in units of the same or another unit class of another sub-fund of the Receiving UCITS, without redemption or conversion charges (other than charges retained by the Receiving Sub-Fund to meet disinvestment costs). Please see the section 5 (*Rights of Unitholders in relation to the Merger*) below.

- 1.5 Subscriptions, redemptions and/or conversions of units of the Receiving Sub-Fund will remain possible as indicated under section 6 (*Procedural aspects*) below.
- 1.6 Other procedural aspects of the Merger are set out in section 6 (*Procedural aspects*) below.
- 1.7 The timetable below summarises the key steps of the Merger:

Notice Period	From 4 November 2024 to 4 December 2024
Final NAV Date of merging sub-fund	10 December 2024
Effective Date	11 December 2024
Date of calculation of the exchange ratio	on the Effective Date using the sub-funds' NAVs as of the Final NAV Date

* or such later time and date as may be determined by the Boards and notified to unitholders of the Merging Sub-Funds in writing, upon (i) authorisation of the Merger by the *Commission de Surveillance du Secteur Financier* (“**CSSF**”), (ii) completion of the thirty (30) calendar days prior notice period, as applicable, and additional five (5) working days, and (iii) registration of the Receiving Sub-Fund in all jurisdictions where the Merging Sub-Fund is distributed or registered for distribution. In the event that the Boards approve a later Effective Date, they may also make such consequential adjustments to the other elements in this timetable as they consider appropriate.

2. Background to and rationale for the merger

The decision of the Board of Directors to proceed with the Merger was passed in the unitholders' interest and takes place in the context of the following rationale. Following a detailed review of the combined fund offering of each asset management division at UBS and Credit Suisse, the Merging Fund has been identified as overlapping in terms of investment objective and universe, as UBS offers a comparable product in the form of the Receiving Fund. The aim of merging the sub-funds is to manage the sub-funds more cost-efficiently in the interests of investors through the takeover of Credit Suisse Group AG by UBS Group AG and as part of the integration of Credit Suisse into UBS. The Receiving Sub-Fund will likely benefit from a meaningful increase in assets under management. Therefore, the Board of Directors believes that the Merger is in the interest of the unitholders of the Receiving Sub-Fund.

3. Impact of the merger on Unitholders of the Receiving Sub-Funds

The Merger will be binding on all the Unitholders of the Receiving Sub-Fund who have not exercised their right to request the redemption or the conversion of their units, free of charge, within the timeframe set out in section 5 (*Rights of Unitholders in relation to the Merger*) below.

The investment manager of the Merging Sub-Fund and of the Receiving Sub-Fund, UBS Asset Management Switzerland AG, with the aim to ensure the transferring portfolio is in line with the investment strategy of the Receiving Sub-Fund, will sell most of the underlying assets of the Merging Sub-Fund within the notice period (from 4 November 2024 to 4 December 2024). The Merging Sub-Fund's portfolio will be mostly liquidated, and the resulting cash and any remaining assets transferred to the Receiving Sub-Fund on the Effective Date. The investment manager of the Receiving Sub-Funds does not intend to make changes to the Receiving Sub-Fund's portfolio during that period for the purpose of the Merger.

4. Criteria for valuation of assets and liabilities

For the purpose of calculating the unit exchange ratio, the rules laid down in the management regulations and the prospectus of the Receiving UCITS for the calculation of the net asset value will apply to determine the value of the assets and liabilities of the Receiving Sub-Fund.

5. Rights of Unitholders in relation to the merger

Unitholders of the Receiving Sub-Fund not agreeing with the Merger are given the possibility to request the redemption of their units of the Receiving Sub-Fund or conversion of their units of the Receiving Sub-Fund into units of the same or another unit class of another sub-fund of the Receiving UCITS at the applicable net asset value, without any redemption or conversion charges (other than charges retained by the Receiving Sub-Fund to meet disinvestment costs) during at least 30 calendar days following the date of the present notice.

Any accrued income, dividends, and income receivables will be included in the calculation of the net asset value of the Merging Sub-Fund and will be transferred into the Receiving Sub-Fund as part of the merger.

6. Procedural aspects

No Unitholder vote is required in order to carry out the Merger.

7. Costs of the merger

UBS Asset Management Switzerland AG will bear the legal, advisory and administrative costs (excluding potential transaction costs) and expenses associated with the preparation and completion of the Merger. In addition, and to protect the interests of the investors of the Receiving Sub-Fund, the swing pricing principle described in the Section "Net asset value, issue, redemption and conversion price" in the prospectus of the Receiving Sub-Fund will be applied on a *pro rata* basis on any cash portion of the assets to be merged into the Receiving Sub-Fund, provided that it exceeds the threshold as defined for the Receiving Sub-Fund.

8. Taxation

The Merger of the Merging Sub-Fund into the Receiving Sub-Fund may have tax consequences for Unitholders. Unitholders should consult their professional advisers about the consequences of this Merger on their individual tax position.
