20 December 2023

Dear Shareholders,

The board of directors (the "**Board of Directors**") of the Receiving UCITS, has decided to proceed to a merger by absorption of the Credit Suisse Supertrends Fund (the "**Merging Sub-Fund**"), a sub-fund of Credit Suisse Wealth Funds 1, a *société d'investissement à capital variable*, formed and existing under the laws of the Grand Duchy of Luxembourg having its registered office at 5, Jean Monnet, L-2180, Grand Duchy of Luxembourg and registered with the RCS under number B 219340 (the "**Merging UCITS**") into the Receiving Sub-Fund in compliance with article 1(20)(a) of the law of 17 December 2010 on undertakings for collective investment as amended. The merger shall become effective on 30 January 2024 (the "**Effective Date**").

This notice describes the implications of the contemplated merger. Please contact your financial advisor if you have any questions on the content of this notice. The merger may impact your tax situation. Shareholders should contact their tax advisor for specific tax advice in relation to the merger.

Capitalized terms not defined herein have the same meaning as in the prospectus of the Receiving UCITS.

1. **Key aspects and timing**
 - 1.1 The merger shall become effective and final between the Receiving Sub-Fund and the Merging Sub-Fund and vis-à-vis third parties on the Effective Date.
 - 1.2 On the Effective Date, all assets and liabilities of the Merging Sub-Fund will be transferred to the Receiving Sub-Fund.
 - 1.3 No general meeting of Shareholders shall be convened in order to approve the merger.
2. Shareholders of the Receiving Sub-Fund who do not agree with the merger have the right to request, until the 22 January 2024 included, the redemption of their shares or the conversion of their shares in shares of the same or another share class of another sub-fund of the Receiving UCITS, not involved in the merger, without redemption or conversion

charges (other than charges retained by the Receiving Sub-Fund to meet disinvestment costs). Please see the section 7 (*Rights of Shareholders in relation to the merger*) below.

3. Subscriptions, redemptions and/or conversions of shares of the Receiving Sub-Fund will remain possible as indicated under section 8(*Procedural aspects*) below.
- 3.1 Other procedural aspects of the merger are set out in section 8 (*Procedural aspects*) below.
- 3.2 The merger has been approved by the *Commission de Surveillance du Secteur Financier* (the "**CSSF**").
- 3.3 The timetable below summarises the key steps of the merger:

Notice Period	From 20 December 2023 to 22 January 2024
Final NAV Date	29 January 2024
Effective Date	30 January 2024*
Date of calculation of the exchange ratio	on the Effective Date using the NAVs as of the Final NAV Date

* or such later time and date as may be determined by the Boards and notified to shareholders in the Merging Sub-Funds in writing, upon (i) approval of the Merger by the *Commission de Surveillance du Secteur Financier* ("**CSSF**"), (ii) completion of the thirty (30) calendar days prior notice period, as applicable, and additional five (5) working days, and (iii) registration of the Receiving Sub-Fund in all jurisdictions where the Merged Sub-Fund is distributed or registered for distribution. In the event that the Boards approve a later Effective Date, they may also make such consequential adjustments to the other elements in this timetable as they consider appropriate.

4. **Background to and rationale for the merger**

The decision of the Boards to proceed with the Merger was passed in the shareholders' interest and takes place in the context of the following rationale. The Receiving Sub-Fund and the Merging Sub-Fund are thematic equity sub-funds that share a similar objective, which is to identify long term investment opportunities linked to multi-year societal trends, which may relate to themes linked to e.g. the global growth in population, the trends towards an aging population or increasing urbanization. Both funds rely on research input, which following UBS's acquisition of Credit Suisse has now been combined, aligning to the UBS methodology. Despite the currently low overlap at the single instrument level, maintaining two separate UBS Group funds (i) within the same asset class (ii) with similar objectives and (iii) the same research input is not an efficient long-term proposition and so it is proposed to merge the Merging Sub-Fund into the Receiving Sub-Fund. The Receiving Sub-Fund will benefit from a meaningful increase in assets under management and therefore the Boards believe that the Merger is in the interest of the shareholders of the Merging Sub-Fund and the Receiving Sub-Fund, respectively.

5. Impact of the merger on Shareholders of the Receiving Sub-Funds

The Receiving Sub-Fund will likely benefit from a meaningful increase in assets under management.

The merger will be binding on all the Shareholders of the Receiving Sub-Fund who have not exercised their right to request the redemption or the conversion of their shares, free of charge, within the timeframe set out in section 7 (*Rights of Shareholders in relation to the merger*) below.

The investment manager of the Merging Sub-Fund, Credit Suisse AG, in agreement with the investment managers of the Receiving Sub-Fund, UBS Asset Management (Americas) Inc., Chicago and UBS Switzerland AG, Zurich, with the aim to ensure the transferring portfolio is in line with the investment strategy of the Receiving Sub-Fund, will sell most of the underlying assets within the period during which all subscriptions, conversion and redemptions of shares of the Merging Sub-Fund will be suspended (from 22 January 2024 to 26 January 2024). During this period, the investment rules and restrictions will be disregarded. The Merging Sub-Fund's portfolio will be partially liquidated, and the resulting cash and any remaining assets transferred to the Receiving Sub-Fund on the Effective Date.

6. Criteria for valuation of assets and liabilities

For the purpose of calculating the share exchange ratio, the rules laid down in the Articles of Association and the prospectus of the Receiving UCITS for the calculation of the net asset value will apply to determine the value of the assets and liabilities of the Receiving Sub-Fund.

7. Rights of Shareholders in relation to the merger

Shareholders of the Receiving Sub-Fund not agreeing with the merger will be given the possibility to request the redemption of their shares of the Receiving Sub-Fund or conversion of their shares of the Receiving Sub-Fund into shares of the same or another share class of another sub-fund of the Receiving UCITS at the applicable net asset value, without any redemption or conversion charges (other than charges retained by the Receiving Sub-Fund to meet disinvestment costs) during at least 30 calendar days following the date of the present notice.

Any accrued income, dividends, and income receivables will be included in the calculation of the net asset value of the Merging Sub-Fund and will be transferred into the Receiving Sub-Fund as part of the merger.

8. Procedural aspects

8.1 No Shareholder vote is required in order to carry out the merger.

8.2 Confirmation of merger

Each shareholder in the Receiving Sub-Fund will receive a notification confirming that the merger has been carried out.

In addition, and to protect the interests of the investors of the Receiving Sub-Fund, Swing Pricing as described in the prospectus of the Receiving Sub-Fund will be applied on a pro rata basis on any cash portion of the assets to be merged into the Receiving Sub-Fund, provided that it exceeds the threshold as defined for the Receiving Sub-Fund.
