Dear Shareholders,

The board of directors (the "**Board of Directors**") of CS Investment Fund 6, has decided to merge certain share classes of CS China RMB Credit Bond Fund into certain share classes of UBS (Lux) Bond SICAV – China Fixed Income (RMB) (the "**UBS China Fixed Income (RMB)**"), a sub-fund of UBS (Lux) Bond SICAV, a *société d'investissement à capital variable*, formed and existing under the laws of the Grand Duchy of Luxembourg having its registered office at 33A, avenue J.F. 1. **Background and rationale for the merger**

The decision of the Board of Directors to proceed with the Share Class Merger was passed in the shareholders' interest and takes place in the context of the following rationale. Following a detailed review of the combined fund offering of each asset management division at UBS and Credit Suisse, CS China RMB Credit Bond Fund has been identified as overlapping in terms of investment objective and universe, as UBS offers a comparable product in the form of UBS China Fixed Income (RMB). The aim of merging the shares of CS China RMB Credit Bond Fund (the "**Merging Share Classes**") as detailed under sub-section 3.4 is to manage the sub-funds more cost-efficiently in the interests of investors through the takeover of Credit Suisse Group AG by UBS Group AG and as part of the integration of Credit Suisse into UBS. After the Share Class Merger, the actual investment portfolios of UBS China Fixed Income (RMB) will be similar to that of CS China RMB Credit Bond Fund.

2. **Summary of the Share Class Merger**

- 2.1 The Share Class Merger shall become effective and final vis-à-vis the Merging Share Classes and the third parties on the Effective Date.
- 2.2 On the Effective Date of the Share Class Merger, all assets and liabilities of the Merging Share Classes will be transferred to the respective shares of UBS China Fixed Income (RMB) listed on sub-section 3.4. The Merging Share Classes will cease to exist as a result of the Share Class Merger and thereby will be dissolved on the Effective Date.
- 2.3 No general meeting of Shareholders shall be convened in order to approve the Share Class Merger and Shareholders are not required to vote on the Share Class Merger.
- 2.4 The Shareholders holding shares of the Merging Share Classes on the Effective Date will automatically be issued shares of UBS China Fixed Income (RMB) in exchange for their shares of the Merging Share Classes, in accordance with the relevant share exchange ratio and participate in the results of the respective shares of UBS China Fixed Income (RMB) as from such date.

Shareholders will receive a confirmation note of their holding in the UBS China Fixed Income (RMB) as soon as practicable after the Effective Date. For more detailed information please see section 5 (*Rights of Shareholders in relation to the Share Class Merger*).
