The Board of Directors of UBS (Lux) Equity SICAV (the "Board") wishes to inform you that due to the low total net asset values of the following Classes:

ISIN	Name
LU1294558538	UBS (Lux) Equity SICAV – Global Opportunity Unconstrained (USD) (EUR hedged) Q-acc
LU1278831497	UBS (Lux) Equity SICAV – Global Opportunity Unconstrained (USD) (EUR hedged) P-acc
LU1278831570	UBS (Lux) Equity SICAV – Global Opportunity Unconstrained (USD) (EUR hedged) P-4%-mdist

which do not allow an economically efficient management of the Classes any longer, the Board has decided to redeem all shares of the Classes upon payment of the redemption price to the shareholders. Given that there might be interest from the business side to reactivate the Classes in the future, the Board has decided to put the Classes into an inactive status without its liquidation (so-called "dormant" class).

The Classes were closed for subscriptions on 5 April 2023 after the relevant cut-off time. On 2 June 2023 after the relevant cut-off time, the Classes will be closed for redemptions. The date of the final NAV will be 5 June 2023 and the proceeds shall be paid out to the shareholders on 8 June 2023.

The Board would like to inform you that you will have no additional costs or other financial disadvantages as a result of this redemption. Subject to relevant conditions, swing pricing shall apply in accordance with the provisions of the sales prospectus.
