Notice to Shareholders in UBS (Irl) Investor Selection plc (the "Company") relating to the compulsory redemption of all outstanding shares of UBS (Irl) Investor Selection - Equity Opportunity Long Short Fund (the "Fund")

Dear Shareholder

We are writing to you in connection with your holding in the Fund. If you hold these shares on behalf of another party, we would be grateful if you could inform that other party of the contents of this notice.

Unless the context otherwise requires, all defined terms contained in this letter shall have the meanings assigned to them in the Prospectus for the Company and Supplement for the Fund.

In accordance with the terms of the Prospectus and the Articles of Association of the Company, the Directors may decide to terminate the Fund and effect the compulsory repurchase of all Shares. In particular, the Articles of Association of the Company provide that compulsory redemption can be effected, upon four weeks' notice to the relevant Shareholders.

In the opinion of the Directors, it is not in the best interests of shareholders and it is impracticable to continue the Fund due to the changes in circumstances in recent months. There is currently a small number of assets under management (AUM) and a negative net new money (NNM) outlook. In addition to this, due to a re-organisation within the Investment Manager, there was a change in the investment management team at the end of July 2024 and as a result there has been a change in the lead portfolio manager which could result in changes to the investment strategy. Accordingly, in accordance with the Prospectus and the Articles of Association of the Company, the Directors of the Company have resolved to compulsorily redeem all of the Shares in the Fund on the Redemption Date which is currently expected to be on or about 27 November 2024 at the prevailing Net Asset Value per Share on such Redemption Date (the "Final Redemption Date").

In addition, the Directors of the Company resolved, with effect from 28 October 2024, not to accept any further subscriptions to the Fund.

Please note that the Fund stopped accruing performance fees as of 1 October 2024.

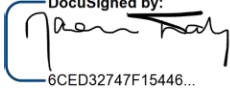

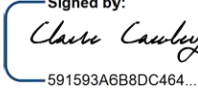

Shareholders are advised that the Fund will accept redemption requests in the normal course of business up until the Final Redemption Date.

Please accept this letter as notification of the termination of the Fund. Following the Final Redemption Date, each Shareholder of the Fund shall have the proceeds of this compulsory redemption of their Shares paid to their bank account. Please note that these proceeds may be paid in multiple instalments.

Please note that this letter does not constitute tax or investment advice. If you have any questions about the tax implications of this letter, we always recommend that you consult with your own tax advisers.
