- (v) any person who does not supply any information or declarations required by the Directors within twenty eight days of a request to do so; or

(i) for a period of six years no cheque, Share certificate or confirmation of ownership of Shares sent by the Company through the post in a pre-paid letter addressed to the Shareholder or to the person entitled by transmission to the Share at his address on the Register or the last known address given by the Shareholder or the person entitled by transmission to which cheques, Share certificates or confirmations of the ownership of shares are to be sent has been cashed or acknowledged and no communication has been received by the Company from the Shareholder or the persons entitled by transmission;

10.09 Notwithstanding Article 10.04, if it shall come to the notice of the Directors or if the Directors shall have reason to believe that any Shares are owned directly or beneficially by any person or persons in breach of restrictions imposed by the Directors pursuant to Article 10.01, the Directors shall be entitled to give notice (in such form as the Directors deem appropriate) of its intention to compulsorily redeem that person's Shares in consultation with the Investment Manager. The Directors may charge any such Shareholder, any legal, accounting or administration costs associated with such compulsory redemption. In the event of a compulsory redemption, the Redemption Price per Share will be determined as of the Valuation Point in respect of the relevant Dealing Day specified by the Directors in their notice to the Shareholder. A Shareholder whose Shares are compulsorily redeemed will have no Shareholder rights after the close of business on the date on which the notice of compulsory redemption is issued. The proceeds of a compulsory redemption shall be paid in accordance with Clause 11.00 hereof.

11 REDEMPTION OF SHARES

11.01 As is more specifically described herein below, the Company has the power to redeem its own outstanding fully paid Shares on any Dealing Day. A Shareholder may at any time request the Company to redeem all or any of his Shares in the Company in such manner as the Directors may from time to time decide. Subject to Article 11.14 any such request shall be irrevocable save with the consent in writing of the Company or its authorised agent. The Directors may at their discretion impose a minimum redemption amount in relation to any particular Fund or Class.

11.02 Subject to Articles 10.04 and 10.05 a redemption request shall not be processed until the Company has received a completed redemption request and, if applicable, any Share certificate or evidence satisfactory to the Company of succession or assignment from the Shareholder and such other information or documentation as the Company may reasonably require by such time as may from time to time be specified in the Prospectus and/or the relevant Supplement.

11.03 In the event of receipt of a valid redemption request by such time as may from time to time be specified by the Company, the Company shall redeem the Shares the subject of the request subject to any suspension of this redemption obligation pursuant to Article 14.04 hereof PROVIDED THAT the Directors may, in their discretion, accept a redemption request for processing on a Dealing Day notwithstanding that such request may have been received after the time specified from time to time by the Directors for the receipt of redemption requests for such Dealing Day so long as such redemption is received prior to the Valuation Point for such

Dealing Day. Shares in the capital of the Company which are redeemed by the Company shall be cancelled.

- 11.04 Following the processing of a redemption request the Shareholder will be paid a price per Share equal to the Redemption Price per Share ascertained by:-
- (a) determining the Net Asset Value per Share as at the Valuation Point for the relevant Dealing Day in accordance with the provisions of Article 14.00 hereof;
 - (b) deducting therefrom a provision for Duties and Charges if the Directors so determine;
 - (c) in the event of requests for redemption exceeding subscription applications for the relevant Fund on any Dealing Day and if the Directors so determine, deducting therefrom such provision representing an anti-dilution levy to provide for market spreads, dealing costs and preserve the value of the underlying assets of the relevant Fund as the Directors determine; and
 - (d) rounding the resulting amount so determined mathematically to two decimal places or such other number of decimal places as may be determined by the Directors and as set out in the Prospectus.
- 11.05 A redemption charge not exceeding 3% of the Net Asset Value per Share may be deducted from the Net Asset Value per Share for the absolute use and benefit of the Company or as it may direct and the Directors may at their discretion waive, either wholly or partially, such redemption charge or differentiate between Shareholders as to the amount of such redemption charge, if any, within the permitted limit.
- 11.06 Subject to Article 30.08 any amount payable to a Shareholder under this Article shall be paid in the Base Currency or such other currency or currencies as the Directors shall have determined as appropriate and shall be dispatched no later than ten (10) Business Days after the latest time for receipt of redemption requests for the relevant Dealing Day.
- 11.07 Any request for redemption of Shares shall not be valid and effective unless, in the case of Shares for which a certificate has been issued, the certificate or certificates for such Shares in proper form accompanies such request.
- 11.08 On redemption of part only of the Shares comprised in any certificate the Directors shall procure that a balance certificate be issued for the balance of such Shares free of charge.
- 11.09 The minimum value of Shares which a Shareholder may redeem in any one transaction (if any) shall be the Minimum Transaction Size specified in the relevant Supplement. If a redemption of part only of a Shareholder's holding of Shares would leave the Shareholder holding less than the Minimum Holding, the Company may redeem the whole of that Shareholder's holding.

- 11.10 Where a certificate has been issued the Directors may at their option dispense with the production of any certificate which shall have become lost or destroyed upon compliance by the holder of Shares to be redeemed with the like requirements to those applying in the case of an application by him for replacement of a lost or destroyed certificate under Article 6.00 hereof.
- 11.11 If the number of Shares of a particular Fund in respect of which redemption requests have been received on any Dealing Day equals 10% or more of the total number of Shares in issue in that particular Fund or 10% or more of the Net Asset Value of the Fund, the Directors or their delegate may in their discretion refuse to redeem any Shares in that Fund in excess of 10% of the total number of Shares in issue in that Fund or in excess of 10% of the Net Asset Value of the relevant Fund and, if they so refuse, the requests for redemption on such Dealing Day shall be reduced pro rata and the Shares to which each request relates which are not redeemed by reason of such reduction shall be treated as if a request for redemption had been made in respect of each subsequent Dealing Day until all the Shares to which the original request related have been redeemed. Requests for redemption which have been carried forward from an earlier Dealing Day shall (subject always to the foregoing limits) be complied with in priority to redemption requests received subsequently.
- 11.12 The Company may, at the discretion of the Directors and with the consent of the relevant Shareholders, satisfy any request for redemption of Shares by the transfer in specie to a Shareholder requesting redemption of assets of the relevant Fund having a value (calculated in accordance with Article 15.00) equal to the Redemption Price for the Shares redeemed as if the redemption proceeds were paid in cash less any redemption charge and other expenses of the transfer as the Directors may determine provided that the Shareholder requesting redemption consents to such transfer in specie. A determination to provide redemption in specie may be solely at the discretion of the Company where the redeeming Shareholder requests redemption of a number of Shares that represents 5% or more of the Net Asset Value of the relevant Fund. In this event, the Company will if requested sell any asset or assets proposed to be distributed in specie and distribute to such Shareholder the cash proceeds less the costs of such sale which shall be borne by the relevant Shareholder. The nature and type of assets to be transferred in specie to each Shareholder shall be determined by the Directors or their delegate (subject to the approval of the Custodian as to the allocation of assets) on such basis as the Directors or their delegate in their discretion shall deem equitable and not prejudicial to the interests of the remaining Shareholders in the relevant Fund or Class and shall be subject to the approval of the Custodian.
- 11.13 If the Company is required to deduct, withhold or account for tax including any penalties and interest thereon upon the occurrence of certain events such as the encashment, redemption, disposal or deemed disposal of Shares by or payment of distribution to a Shareholder (whether upon a redemption or transfer of Shares or payment of a dividend or deemed disposal of Shares or otherwise) the Directors may deduct or arrange for the deduction from the proceeds due to be paid to a Shareholder of a cash amount equal to the liability or in accordance with the procedures in Article 10 hereof may arrange for the compulsory redemption and cancellation of such number of Shares of such Shareholder as is sufficient

after the deduction of any redemption charges to discharge any such liability and the relevant Shareholder shall indemnify and keep indemnified the Company against any loss suffered by it in connection with any obligation or liability to so deduct, withhold or account.

- 11.14 If the determination of the Net Asset Value of any Fund or Class has been suspended pursuant to Article 14.04 hereof the right of a Shareholder to have his Shares redeemed pursuant to this Article shall be similarly suspended and during the period of suspension he may withdraw any request for redemption of his Shares. Any withdrawal of a request for redemption under the provisions of this Article shall be made in writing and shall only be effective if actually received by the Company or its duly authorised agent before termination of the suspension. If the request is not withdrawn during the period of suspension the redemption of Shares shall be effected on the Dealing Day next following the end of the suspension subject to Article 11.11.
- 11.15 Where all the Shares in a Class or Fund have been redeemed, the Directors may subsequent to such redemption make a subsequent issue of Shares in that Class or Fund at a Subscription Price per Share determined by the Directors. Any such issue of Shares pursuant to this Article shall be in accordance with the requirements of the Central Bank.
- 11.16 Where relevant, if a redeeming Shareholder owns Shares of more than one Series within a Class, Shares will be redeemed on a "first in-first out" basis for the purposes of determining the Redemption Price. Accordingly, Shares of the earliest issued Series owned by the Shareholder will be redeemed first, at the relevant repurchase price for Shares of such Series, until the redeeming Shareholder no longer owns any Shares attributable to such Series.

12 TOTAL REDEMPTION

- 12.01 The Company may by not less than two nor more than twelve weeks' notice to Shareholders of the relevant Fund or Class expiring on a Dealing Day, redeem at the Redemption Price on such Dealing Day, all of the Shares in any Fund or Class or all Funds or Classes not previously redeemed.
- 12.02 The Company shall redeem all of the Shares in any Fund or Class not previously redeemed if the holders of 75% in value of the Shares in issue of the relevant Fund or Class resolve at a meeting of the Shareholders of such Fund or Class duly convened and held that such Shares should be redeemed.
- 12.03 If all of the Shares in a particular Fund or Class are to be redeemed as aforesaid the Directors, with the sanction of an Ordinary Resolution of the relevant Fund or Class, may divide amongst the Shareholders in specie all or part of the assets of the relevant Fund or Class according to the Net Asset Value of the Shares then held by each Shareholder in the relevant Fund or Class in accordance with Article 14.00 hereof provided that any Shareholder shall be entitled to request, at the expense of such Shareholder, the sale of any asset or assets proposed to be so distributed and the distribution to such Shareholder of the cash proceeds of such sale.

- 12.04 If all of the Shares of the Company are to be redeemed as aforesaid the Company, with the approval of the Shareholders by Ordinary Resolution, may divide amongst the Shareholders in specie all or part of the assets of the Company according to the Net Asset Value of the Shares then held by each Shareholder as determined in accordance with Article 14.00 hereof.
- 12.05 If all the Shares in the Company or a Fund or Class are to be redeemed as aforesaid and the whole or any part of the business or property of the relevant Fund or any of the assets of the Company are proposed to be transferred or sold to another company (hereinafter called "**the Transferee**") the Directors may, with the sanction of a Special Resolution of the Company or the relevant Fund or Class conferring either a general authority on the Directors or an authority in respect of any particular arrangement, receive in compensation or part compensation for such transfer or sale shares, units, policies or other like interests or property in or of the Transferee for distribution among the said Shareholders, or may enter into any other arrangement whereby the said Shareholders may in lieu of receiving cash or property or in addition thereto participate in the profits of or receive any other benefit from the Transferee.
- 12.06 The Non-Participating Shares (or any of them) may be redeemed by the Company at any time after the first issue of Shares is effected after the initial offer period of the initial Fund of the Company has closed and provided that the minimum capital requirements of the Regulations are complied with. The redemption price for each Non-Participating Share shall be €1.
- 12.07 The Directors may resolve in their absolute discretion to retain sufficient monies prior to effecting a total redemption of Shares to cover the costs associated with the subsequent termination of a Fund or the liquidation of the Company.

13 CONVERSION OF SHARES

- 13.01 Subject as hereinafter provided and to any Initial Subscription, Minimum Holding and subject to any Minimum Transaction Size requirements of the relevant Fund or Classes (if any), to any other restrictions set down in the relevant supplement and to any restrictions imposed pursuant to these presents, a Shareholder of any Fund or Class (the "**Original Fund**") may request the conversion of all or any Shares held by him into Shares of another Fund or Class or another Class in the same Fund (the "**New Fund**") either existing or established as provided herein. The Directors may refuse to accept a conversion request without assigning any reason therefor.
- 13.02 A Shareholder may request the conversion of Shares by giving to the Company a notice (hereinafter called "**Conversion Notice**") in such form and by such time and means as the Directors may from time to time determine together with the relevant Share certificate, share warrant or such other evidence of title as the Directors may require provided that the Shareholder otherwise satisfies the criteria determined by the Directors for investment in the New Fund.
- 13.03 Following receipt by the Company of a Conversion Notice the conversion of Shares specified

in a Conversion Notice shall be effected on a day which is a Dealing Day for the Original Fund and the New Fund or on such other Dealing Days as the Directors may determine PROVIDED THAT the Directors may, in their discretion, in exceptional circumstances, accept a conversion request for processing on a Dealing Day notwithstanding that such request may have been received after the time specified from time to time by the Directors for the receipt of conversion requests for such Dealing Day so long as such conversion request is received prior to the Valuation Point for the relevant Dealing Day.

- 13.04 A Shareholder requesting conversion shall not without the written consent of the Company or its authorised agent be entitled to withdraw a Conversion Notice duly made in accordance with this Article except in circumstances in which he would be entitled to withdraw a request for redemption of Shares.
- 13.05 Conversion of Shares specified in a Conversion Notice may, subject to the Regulations, the Notices and these presents, be effected in such manner as may be determined by the Directors and without prejudice to the generality of the foregoing may be effected by the redemption of Shares of the Original Fund (save that the redemption monies shall not be released to the Shareholder requesting conversion) and the issue of Shares in the New Fund.
- 13.06 The number of Shares of the New Fund to be issued on conversion shall be determined by the Directors in accordance (or as nearly as may be in accordance) with the following formula:

$$S = \frac{(R \times RP \times ER) - F}{SP}$$

where:-

S = the number of Shares of the New Fund to be allotted;

R = the number of Shares of the Original Fund to be redeemed;

RP = the Redemption Price per Share of the Original Fund for the relevant Dealing Day;

ER = is the currency conversion factor (if any) as determined by the Administrator;

F = is the conversion charge (if any) of up to 1% of the Net Asset Value of the Shares in the Original Fund;

SP = the Subscription Price per Share of the New Fund for the relevant Dealing Day.

- 13.07 Upon conversion of Shares as provided for herein the Directors shall cause assets or cash equal to the value of "S" as defined in Article 13.06 to be transferred to the New Fund.

- 13.08 The Directors may charge a fee on the conversion of Shares in any Fund or Class into Shares in another Fund or Class or another Class in the same Fund up to a maximum of 1% of Net Asset Value of Shares in the original Fund.
- 13.09 Where a conversion request would result in a Shareholder holding a number of Shares in either the Original Fund or the New Fund which would be less than the Minimum Holding for the Original Fund or the New Fund, the Directors may, if they think fit, convert the whole of such Shareholder's holding in the Original Fund to Shares in the New Fund or refuse to effect any conversion from the Original Fund.
- 13.10 On conversion of the whole or part only of the Shares comprised in a Certificate, the Directors shall procure the issue of a new Certificate, and, in the case of a conversion of part only of the Shares comprised in a certificate, a balance Certificate free of charge in respect of the Shares issued in the New Fund and the remaining Shares held in the Original Fund (if any) to be sent to the Shareholder or as he shall direct.
- 13.11 Fractions of Shares of the New Fund may be issued on conversion subject to Article 8.08.

14 DETERMINATION OF NET ASSET VALUE

- 14.01 The Directors shall on or with respect to each Valuation Day determine the Net Asset Value of each Fund or, if there are different Classes within a Fund, attributable to each Class and the Net Asset Value per Share in accordance with the following provisions.
- 14.02 The Net Asset Value of a Fund shall be determined as at the Valuation Point for the relevant Valuation Day by ascertaining the value of the assets of the Fund pursuant to Article 15.01 hereof and deducting the liabilities of the relevant Fund, having regard to the principles determined by the Directors in their absolute discretion as appropriate to be observed in determining the Net Asset Value of each Fund, or if there are different Classes within a Fund, attributable to each Class and the Net Asset Value per Share. The Net Asset Value attributable to a Class or, where relevant, Series shall be determined as at the Valuation Point for the relevant Valuation Day by calculating that portion of the Net Asset Value of the relevant Fund attributable to the relevant Class or, where relevant, Series as at the Valuation Point by reference to the number of Shares in issue or deemed to be in issue in each Class or, where relevant, Series on the relevant Valuation Day subject to adjustment to take account of assets and/or liabilities attributable to each Class or, where relevant, Series. The Net Asset Value of a Fund will be expressed in the Base Currency of the Fund, or in such other currency as the Directors may determine either generally or in relation to a particular Class or in a specific case.
- 14.03 The Net Asset Value per Share shall be determined as at the Valuation Point on or with respect to each Valuation Day by dividing the Net Asset Value of the relevant Fund or attributable to a Class or where relevant a Series by the number of Shares in issue or deemed to be in issue in such Fund or Class or where relevant Series at the Valuation Point on or

with respect to the relevant Valuation Day and rounding the resulting total to two decimal places or such other number of decimal places as the Directors may determine and disclose in the Prospectus. In the event that an unhedged currency Class of Shares is issued which is priced in a currency other than the currency of that Class, currency conversion costs on subscription and redemption will be borne by that Class. In the event that a hedged Class of Shares is issued which is priced in a currency other than the currency of that Class, the costs and gains/losses of any hedging transactions will be borne by that Class.

14.04 The Directors may at any time and from time to time temporarily suspend the determination of the Net Asset Value of a Fund or attributable to a Class and the issue, redemption and conversion of Shares in any Fund or Class, in the following instances:

- (a) during the whole or part of any period (other than ordinary holidays or customary weekends) when any of the Recognised Exchanges on which Investments of the relevant Fund are quoted, listed, traded or dealt are closed or during which dealings therein are restricted or suspended or trading is suspended or restricted;
- (b) during the whole or part of any period when circumstances outside the control of the Directors exist as a result of which any disposal or valuation by the Company of Investments of the relevant Fund is not reasonably practicable or would be detrimental to the interests of Shareholders or it is not possible to transfer monies involved in the acquisition or disposition of Investments to or from the relevant account of the Company;
- (c) during the whole or part of any period when any breakdown occurs in the means of communication normally employed in determining the value of any of the Investments of the relevant Fund;
- (d) during the whole or part of any period when for any reason the value of any Investments of the relevant Fund cannot be reasonably, promptly or accurately ascertained;
- (e) during the whole or part of any period when subscription proceeds cannot be transmitted to or from the account of any Fund or the Company is unable to repatriate funds required for making redemption payments or when such payments cannot, in the opinion of the Directors, be carried out at normal rates of exchange;
- (f) upon mutual agreement between the Company and the Custodian for the purpose of winding up the Company or terminating any Fund or Class; or
- (g) if any other reason makes it impossible or impracticable to determine the value of a substantial portion of the Investments of the Company or any Fund and shall temporarily suspend the determination of the Net Asset Value of a Fund or attributable to a Class and the issue, redemption and conversion of Shares in any Fund or Class if directed to do so by the Central Bank.

14.05 Notice of any such suspension and notice of the termination of any such suspension shall be

published by the Company in such manner as the Directors may deem appropriate to notify the persons likely to be affected thereby and given immediately to the Central Bank and the Custodian.

14.06 Fees and expenses (including any management fees) may be charged to capital in respect of any Fund or any Class of participating Shares of a Fund.

14.07 The Directors shall ensure that the Net Asset Value per Share is made readily available for the relevant Shareholders.

15 VALUATION OF INVESTMENTS

15.01 The value of the Investments of each Fund shall be determined as at the Valuation Point as follows:-

- (a) Securities which are quoted, listed or traded on a Recognised Exchange save as hereinafter provided at (d), (e), (f), (g) and (h) will be valued at the last traded price (or if no last traded price is available, at mid market prices). Where a security is listed or dealt in on more than one Recognised Exchange the relevant exchange or market shall be the principal stock exchange or market on which the security is listed or dealt on or the exchange or market which the Directors determine provides the fairest criteria in determining a value for the relevant investment. Securities listed or traded on a Recognised Exchange, but acquired or traded at a premium or at a discount outside or off the relevant exchange or market may be valued by a competent person, firm or corporation (including the Manager or the Investment Manager) selected by the Directors and approved for the purpose by the Custodian, taking into account the level of premium or discount at the Valuation Point provided that the Custodian shall be satisfied that the adoption of such a procedure is justifiable in the context of establishing the probable realisation value of the security.
- (b) The value of any security which is not quoted, listed or dealt in on a Recognised Exchange or which is so quoted, listed or dealt but for which no such quotation or value is available or the available quotation or value is not representative of the fair market value shall be the probable realisation value as estimated with care and good faith by
 - (i) the Directors or
 - (ii) a competent person, firm or corporation (including the Manager and the Investment Manager) selected by the Directors and approved for the purpose by the Custodian. Where reliable market quotations are not available for fixed income securities the value of such securities may be determined using matrix methodology compiled by the Directors whereby such securities are valued by reference to the valuation of other securities which are comparable in rating, yield, due date and other characteristics.

- (c) Cash in hand or on deposit will be valued at its nominal/face value plus accrued interest, where applicable, to the end of the relevant day on which the Valuation Point occurs.
- (d) Derivative contracts traded on a regulated market including without limitation futures and options contracts and index futures shall be valued at the settlement price as determined by the market. If the settlement price is not available, the value shall be the probable realisation value estimated with care and in good faith by
 - (i) the Directors or
 - (ii) a competent person firm or corporation (including the Investment Manager) selected by the Directors and approved for the purpose by the Custodian.
- (e) OTC derivative contracts will be valued daily either
 - (i) on the basis of a quotation provided by the relevant counterparty and such valuation shall be approved or verified at least weekly by a party who is selected by the Directors and approved for the purpose by the Custodian and who is independent of the counterparty (the “**Counterparty Valuation**”); or
 - (ii) using an alternative valuation provided by a competent person (including the Investment Manager) appointed by the Directors and approved for the purpose by the Custodian (the “**Alternative Valuation**”). Where such Alternative Valuation method is used the Company will follow international best practice and adhere to the principles on valuation of OTC instruments established by bodies such as IOSCO and AIMA and will be reconciled to the Counterparty valuation on a monthly basis. Where significant differences arise these will be promptly investigated and explained.
- (f) Forward foreign exchange and interest rate swap contracts shall be valued in the same manner as OTC derivatives contracts as detailed at paragraph (d) above or by reference to freely available market quotations.
- (g) Notwithstanding paragraph (a) above units in collective investment schemes shall be valued at the latest available net asset value per unit or bid price as published by the relevant collective investment scheme or, if listed or traded on a Recognised Exchange, in accordance with (a) above. Where a final net asset value per share is not available an estimated net asset value per share received from the administrator or investment manager of the relevant collective investment scheme may be used. Where estimated values are used, these shall be final and conclusive notwithstanding any subsequent variation in the net asset value of the collective investment scheme.
- (h) In the case of a Fund which complies with the Central Bank’s requirements for short-term money market funds, the Directors may use the amortised cost method of valuation provided that a review of the amortised cost valuation vis-à-vis market valuation will be

carried out in accordance with the Central Bank's guidelines.

- (i) In the case of a Fund which is not a short term money market fund, the Directors may value money market instruments using the amortised cost method of valuation in accordance with the Central Bank's requirements.
- (j) The Directors may, with the approval of the Custodian, adjust the value of any investment if having regard to its currency, marketability, applicable interest rates, anticipated rates of dividend, maturity, liquidity or any other relevant considerations, they consider that such adjustment is required to reflect the fair value thereof.
- (k) Any value expressed otherwise than in the Base Currency of the relevant Fund shall be converted into the Base Currency of the relevant Fund at the prevailing exchange rate which is available to the Administrator and which is normally obtained from Bloomberg or Reuters or such other data provider.
- (l) Where the value of any security is not ascertainable as described above, the value shall be the probable realisation value estimated by the Directors with care and in good faith or by a competent person appointed by the Directors and approved for the purpose by the Custodian.

30 DIVIDENDS AND RESERVES

30.01 Subject to the provisions of the Acts, the Company may by Ordinary Resolution declare such dividends on Shares as appear to the Directors to be justified provided always that no dividend shall exceed the amount recommended by the Directors.

- (c) addition of the amount (if any) available for distribution in respect of the last preceding Accounting Period but not distributed in respect thereof;
- (d) addition of a sum representing the estimated or actual repayment of tax resulting from any claims in respect of corporation tax relief or double taxation relief or otherwise;

- 30.05 The Directors may, with the sanction of an Ordinary Resolution of a Fund, distribute in kind among the Shareholders of such Fund by way of dividend or otherwise any of the assets of the relevant Fund provided that the Company shall if any Shareholder so requests sell any asset or assets proposed to be so distributed and distribute to such Shareholder the cash proceeds of such sale less the costs of any such sale which shall be borne by the relevant Shareholder.
- 30.06 All Shares, unless otherwise determined by the Directors or issued on terms providing that they shall rank for dividend as and from or after a particular date or to a particular extent, shall rank for dividend as from the beginning of the Accounting Period in which they are issued.
- 30.07 Any resolution declaring a dividend on any Shares may specify that the same shall be payable to the persons registered at the close of business on a particular date (which may be a date prior to that on which the resolution is passed) as Shareholders of such Shares which have not been redeemed prior to the date of the resolution declaring the dividend and the dividend shall be payable to them on such date as the Directors may determine, but without prejudice to the rights inter se of transferors and transferees of such Shares in respect of such dividend.
- 30.08 The Company may transmit any dividend or other amount payable in respect of any Share at the risk and cost of the relevant Shareholder by cheque or warrant sent by ordinary post to the registered address of the Shareholder, or, in the case of joint Shareholders, to the person whose name and address appears first on the Register or to such person and address as the Shareholder or joint Shareholders may direct, or by wire or electronic transfer at the risk and cost of the relevant Shareholder or Shareholders to a designated account and payment of every such cheque or warrant and transmission by wire or electronic transfer shall constitute a good discharge to the Company and the Company shall not be responsible for any loss arising in respect of such payment or transmission. The Company may refuse to make any dividend payments until such time as the Company is in receipt of all documentation required to be provided by a Shareholder to the Company pursuant to Article 8.01 hereof.
- 30.09 No dividend or other amount payable to any Shareholder shall bear interest against the Company. All unclaimed dividends and other amounts payable as aforesaid may be invested or otherwise made use of for the benefit of the relevant Fund until claimed. Payment by the Company of any unclaimed dividend or other amount payable in respect of a Share into a separate account shall not constitute the Company a trustee in respect thereof. Subject to Section 307 of the Companies Act 1963 any dividend unclaimed after six years from the date when it first became payable or on the winding up of the Company, if earlier, shall be forfeited automatically and shall revert to the relevant Fund, without the necessity for any declaration or other action by the Company.
- 30.10 At the request of any Shareholder in a particular Fund or Class, the Directors may apply all dividends declared on all Shares held by such Shareholder in the issue to that Shareholder of such number of additional Shares in the relevant Fund or Class as are as nearly as possible equal in value to but not in excess of the amount of such dividends at the date of issue of such additional Shares and otherwise on such terms as the Directors from time to time may resolve

provided however that subject to Article 30.12 hereof such Shareholder shall be entitled to revoke such request with respect to all Shares in the relevant Fund or Class held by him and instead receive a cash dividend in respect of such Shares.

30.11

(a) Subject to Article 30.11(b) hereof the Directors may determine that Shareholders will be entitled to receive in lieu of any dividend (or part thereof) in respect of any Shares in any Fund or Class an issue of additional Shares in proportion to the number of Shares held by them in the relevant Fund or Class credited as fully paid and in any such case the following provisions shall apply:-

(i) the number of additional Shares (including any fractional entitlement) to be issued in lieu of any amount of dividend shall be as nearly as possible equal in value to but not in excess of the amount of such dividend at the date of issue of such additional Shares;

(ii) for such purpose the Directors shall capitalise a sum equal to the aggregate value of dividends in respect of which additional Shares are proposed to be issued and apply the same in paying up in full the appropriate number of additional Shares for issue to the relevant Shareholders credited as fully paid up;

(iii) the additional Shares so issued shall rank *pari passu* in all respects with the fully-paid Shares then in issue save only as regards participation in the relevant dividend (or share election in lieu);

(iv) the Directors may do all acts and things considered necessary or expedient to give effect to any such capitalisation, with full power to the Directors to make such provision as they may think fit in the case of Shares becoming distributable in fractions so that fractional entitlements are disregarded or rounded up or the benefit of fractional entitlements accrues to the Company or the Company issues fractions of Shares; and

(v) the Directors may on any occasion determine that Shares in lieu of dividends shall not be issued to a Shareholder with a registered address in any territory in which, in the absence of a registration statement or other special formalities, the issue of additional Shares would or might be unlawful and in such event the provisions aforesaid shall be read and construed subject to such determination.

(b)

(i) An applicant for or transferee of Shares may subject to Article 30.12 hereof elect by service of notice in writing on the Company, at the time of application for or other acquisition of Shares, to receive cash in lieu of additional Shares in satisfaction of the whole of any dividends that may be payable on all Shares of the particular Fund or Class which may thereafter be registered in his name and may on the giving of one month's notice in writing to the Company or such lesser period as the Directors

may determine revoke any election so made with respect to dividends declared after the expiration of such notice period.

- (ii) An election made pursuant to this Article shall be personal to the holder of Shares concerned in his capacity as a holder and, in respect of any Shares transferred, shall automatically cease to have effect upon registration of the transfer or transmission of the relevant Shares but shall continue in effect in respect of Shares retained.

30.12 Where the amount of any dividend payable to an individual Shareholder would be less than \$50 (or its foreign equivalent), the Directors in their sole discretion may determine not to pay any such dividend and instead issue and credit to the account of the relevant Shareholder such number of Shares in the relevant Fund or Class as are as nearly as possible equal in value to but not in excess of the amount of such dividends. A sales charge shall not be deducted from such amount.

30.13 If several persons are registered as joint holders any one of them may give receipts for dividends or monies payable to them in respect of Shares.

30.14 Before recommending any dividend, whether preferential or otherwise, the Directors may carry to reserve out of the profits of the Company such sums as they think proper. All sums standing to reserve may be applied from time to time in the discretion of the Directors for any purpose to which the profits of the Company may be properly applied and at the like discretion may be either employed in the business of the Company or invested in the acquisition of such Investments as the Directors may lawfully determine. The Directors may divide the reserve into such special funds as they think fit and may consolidate into one fund any special funds or any parts of any special funds into which the reserve may have been divided as they may lawfully determine. Any sum which the Directors may carry to reserve out of the unrealised profits of the Company shall not be mixed with any reserve to which profits available for distribution have been carried. The Directors may also carry forward, without placing the same to reserve, any profits which they may think it prudent not to divide.

30.15 If the Company is required to deduct, withhold or account for tax including any penalties and interest thereon upon the payment of a distribution to a Shareholder (whether in cash or otherwise), the provisions of Article 11.13 hereof shall apply mutatis mutandis as if repeated in full herein.

31 CAPITALISATION OF PROFITS AND RESERVES

31.01 The Company in general meeting may resolve, upon the recommendation of the Directors, that it is desirable to capitalise any part of the amount for the time being standing to the credit of any of the Company's reserve accounts (including capital reserves) or to the credit of the profit and loss account or which is otherwise available for distribution and not required for payment of dividend on any Shares with a preferential right to dividend amongst the Shareholders who would have been entitled thereto if distributed by way of dividend and in the same proportion on

condition that the same be not paid in cash but be applied either in or towards paying up in full unissued Shares of the Company to be allotted and distributed credited as fully paid up to and amongst such Shareholders in the proportion aforesaid, or partly in one way and partly in the other, and the Directors shall give effect to such resolution.

31.02 Without prejudice to any powers conferred on the Directors as aforesaid, the Company in general meeting may resolve, on the recommendation of the Directors, that it is desirable to capitalise any part of the amount for the time being standing to the credit of any of the Company's reserve accounts or to the credit of the profit and loss account which is not available for distribution by applying such sum in applying up in full unissued shares to be allotted as fully paid bonus shares to those Shareholders of the Company who would have been entitled to that sum if it were distributable and had been distributed by way of dividend (and in the same proportions) and the Directors shall give effect to such resolution.

31.03 Whenever such a resolution is passed in pursuance of either of the two immediately preceding Articles, the Directors shall make all appropriations and applications of the undivided profits resolved to be capitalised thereby and all allotments and issues of fully paid shares, if any, and generally shall do all acts and things required to give effect thereto with full power to the Directors to make such provisions as they shall think fit for payment in cash or otherwise in the case of Shares becoming distributable in fractions and to authorise any person to enter on behalf of all the Shareholders entitled thereto into an agreement with the Company providing for the allotment to them respectively, credited as fully paid up, of any further Shares to which they may become entitled upon such capitalisation or (as the case may require) for the payment up by the Company on their behalf, by the application thereto of their respective proportions of the profits resolved to be capitalised, of the amounts or any part of the amounts remaining unpaid on their existing Shares, and any agreement made under such authority shall be effective and binding on all such Shareholders.

32 EQUALISATION ACCOUNT

32.01 The Directors may from time to time at their discretion operate one or more equalisation accounts in respect of one or more Funds for such purposes and on such basis as may be determined by them including without limitation one or more equalisation accounts into which shall be credited or paid amounts paid by subscribers for Shares which the Directors estimate represent the portion of the Subscription Price estimated by the Directors as attributable, as at the date of issue of such Shares, to the amount which may be declared as dividends on the Shares in respect of which an equalisation account is maintained (an "**Equalisation Payment**") in the current Accounting Period and the Directors may provide for the payment out of such account or accounts of capital sums in the amount hereinafter provided to Shareholders holding Shares on which Equalisation Payments were paid or deemed to be paid at the time of making payment of the first dividend declared in respect of the Accounting Period in which the Equalisation Payment was made but prior to such redemption of shares or upon such basis as the Directors in their discretion, following consultation with the Auditors, determine.

32.02 Any capital sum payable pursuant to Article 32.01 above shall be an amount equal to the Equalisation Payment paid or deemed to be paid on the issue of a Share or if the Directors so think fit, a sum calculated by dividing the aggregate of all Equalisation Payments standing to the credit of the relevant Equalisation Account at the date to which the relevant dividend relates, by the number of Shares in respect of which such capital sums are payable and in so doing such Shares may be divided into two or more groups issued within different periods as may be selected by the Directors in any one Accounting Period so that the capital sum payable on each Share in each such group shall be a sum calculated by dividing the aggregate of all Equalisation Payments standing to the credit of the relevant Equalisation Account in respect of the Shares of each such group by the number of Shares in such group provided that in no circumstances shall the capital sum payable in respect of any one Share pursuant to this paragraph exceed the amount of the dividend declared on such Share.

32.03 Any capital sums repaid to a Shareholder in accordance with the provisions of this Article shall release the Company from any liability to repay to such Shareholder the Equalisation Payment paid, and such Shareholder shall accept any such capital sum in full and final satisfaction of any Equalisation Payment otherwise payable.

33.08 Copies of the said half-yearly report shall be made available and/or sent to all Shareholders by the Company not later than two months from the end of the period to which they relate or otherwise in accordance with the requirements of the Central Bank.

34 AUDIT

34.01 The Company shall at each annual general meeting appoint an Auditor or Auditors to hold office until the conclusion of the next annual general meeting.

34.02 If an appointment of Auditors is not made at an annual general meeting, the Minister for Enterprise, Trade and Employment for the time being may, on the application of any Shareholder, appoint an Auditor of the Company for the current year and fix the remuneration to be paid to him by the Company for his service.

34.03 The appointment and removal of Auditors and the determination of eligibility for appointment as Auditors to the Company shall be governed by the provisions of the Act.
