Umbrella Fund: BCV FONDS STRATEGIQUE

The BCV Stratégie Revenu ESG Ambition sub-fund is a reflection of Banque Cantonale Vaudoise's investment policy, based on an international asset and currency allocation, with a predominant Swiss franc exposure.

The asset allocation of the fund's benchmark includes a majority exposure to bonds and the Swiss franc as well as a minority exposure to equities and foreign currencies.

In its investment selection process, the manager primarily uses investment vehicles incorporating environmental, social and governance (ESG) criteria. Moreover, a portion of these investments explicitly aims to contribute positively to a sustainable development, social or environmental theme.
