Investment strategy

The Piguet Fund - Actions Suisses SMID focuses on the small and mid-cap segment of the Swiss stock market. The portfolio offers the necessary diversification for an investment in this area, while favouring active and conviction-based management. The companies in the portfolio, which are among the most innovative and dynamic in Switzerland, are mostly included in the SPI Extra index and offer a higher potential for appreciation over the long term. The manager may use third-party funds, derivatives and cash to reduce volatility or take advantage of any opportunities.

Senior fund manager Daniel Steck

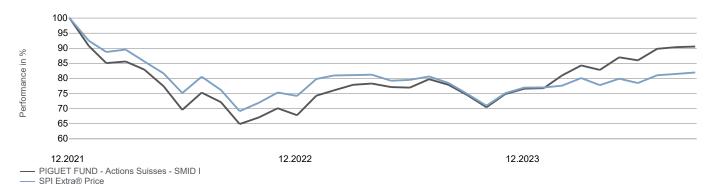

Senior Fund Manager

After an initial experience in financial analysis at Lombard Odier, Daniel Steck continued his career at Reyl & Cie, as an analyst and portfolio manager. He joined Piguet Galland in 2018 and is in charge of managing the Swiss Equity and North America Equity funds.
