

## Data as of 30.11.2024

### **Objectives and investment universe**

Asset class Style

Asset allocation fund Semi-active strategy

Umbrella Fund: BCV FUND (LUX)

BCV (LUX) Strategy Equity (CHF) invests primarily in equities, equity investment funds or similar products, with its currency exposure predominantly geared towards the Swiss franc. Its broad-diversification strategy is targeted at optimising the risk/reward trade-off, with the purpose of growing capital long-term, by striving to generate capital gains. This sub-fund is geared towards those investors prepared to accept high risks and looking for substantial capital gains over the long run.

Class A: open to all investors.

#### IMPORTANT INFORMATION

This document is a monthly marketing sheet. The information and opinions contained in this document were obtained from reliable sources at the time of publication. BCV disclaims all liability or responsibility for any loss or damages of any kind relating to such information or opinions, which may be changed without notice. This document was drawn up by BCV's Asset Management Department purely for information purposes, and does not constitute an invitation to make an offer, an offer to buy or sell, a personalized investment recommendation or financial analysis within the meaning of the Swiss Bankers Association's "Directives on the independence of financial research." Interim and annual reports, prospectuses, contracts and KID concerning funds managed or distributed by BCV may be obtained free of charge from BCV (payment service), place St-François 14, 1003 Lausanne, Switzerland or from the fund management company GERIFONDS SA, Fund's representative in Switzerland (www.gerifonds.ch). The risks inherent in certain investments, particularly alternative investments, derivatives and investments in emerging markets, may not be suitable for all investors. For more detailed information on these products, please read the Swiss Banking brochure on special risks in securities trading. Past performance is no guarantee of current or future performance, and does not take into account commissions or fees for the issuance/purchase or redemption/sale of units. As the fund has no benchmark index, its performance is not compared to such an index. The contents of this publication may have been used by BCV Group prior to their release. Distribution of this document and/or the sale of certain products may be prohibited or subject to restrictions for persons in jurisdictions other than Switzerland (e.g. EU, UK, USA and US persons).
