### **Objectives and investment universe**

Asset class	Foreign bonds
Category	Swiss Franc

The objective of this sub-fund is to achieve, through passive management, a performance which, disregarding costs, matches that of its benchmark index, the SBI® Foreign AAA-BBB. The sub-fund aims to reduce the tracking error relative to this benchmark by adopting optimised sampling, i.e. methodical selection of a number of securities whose behaviour will be representative of the benchmark. The mix of assets in the sub-fund cannot, under any circumstances, diverge markedly from the breakdown of the benchmark in terms of either sectors or borrowers' credit ratings.

Class A: open to all investors
