### Objectives and investment universe

Asset class	Asset allocation fund
Style	Active strategy

BCV Pro Patrimoine CHF seeks to generate regular income with moderate capital gains over the long-term. The management of the sub-fund takes into account the requirements of the ordinance on asset management in the context of guardianship or curatorship and the requirements arising from the legislation on occupational pension schemes for old age, survivors and invalidity.

The sub-fund invests, directly or indirectly, up to 100% of its assets in bonds, notes, and debt securities with fixed or variable income of private and public debtors worldwide, and up to 25% in equities, share certificates, book-entry securities, participation certificates, and similar securities of companies located throughout world. The sub-fund is also authorised to invest up to a maximum of 50% of its assets in sight and fixed-term deposits as well as in units of collective investment schemes holding money market instruments.

The sub-fund's direct investments must be denominated in Swiss francs. If indirect investments are made, in principle, the resulting currency risk shall be hedged.

BP Class, open to investors within the meaning of Art. 38a al. 1 WTO who invest, on certain conditions, on their own behalf or through an insurance product.
