Selected Target Investments

This month we present Phenna Group

In August 2022, Oakley Capital acquired a majority stake in UK-based Phenna Group. The company is a globally active provider of testing, inspection, certification and compliance services. In the first two years after the buyout, Oakley was already able to contribute to the successful business expansion. The management team was strengthened by a new CEO, CFO and Head of M&A. In the area of M&A, the Phenna Group was also very active in the first half of 2024: A total of six acquisitions were made at attractive entry-level multiples. Phenna is thus continuing the trend of 2023, when 16 companies were acquired. This development is also paying off for Oakley in numbers: in the two years so far, the investment in Phenna has achieved an IRR for Oakley based on book value of 15%, the return multiple is about 1.3.
