Fund Portrait

The JSS Twelve Sustainable Insurance Bond invests globally in subordinated bonds issued by insurance companies. The strategy aims to deliver an attractive risk-adjusted return via coupon payments and capital appreciation, while benefitting from an attractive subordination and complexity premium. It will also systematically integrate financially-material ESG aspects throughout the entire investment process, in order to avoid controversial exposures, mitigate ESG risks and harness opportunities, while aiming to achieve an above-average ESG profile. The Sub-fund will be actively managed without replicating any benchmark. The Sub-Fund will be managed without reference to any benchmark.

Review

In Europe inflation picked up slightly to 2% in revised numbers released in October, despite the fact that there are continuing concerns with respect to the strength of the broader European economies. The European Central Bank moved to cut rates by a further 25 bps, taking the deposit facility to 3.25%, in line with expectations. Credit in general continued to perform for the month, resulting in positive returns. AXA announced the call of their EUR 984 million 3.941% 2024 bond, whilst CNP also called their EUR 500 million 4.0% 2024 bond and Zurich issued USD 500 million Tier 2.

Outlook

Twelve Capital expects some new issuances from a number of insurance companies into year end.

Information for investors in Switzerland: This publication is marketing material for an investment, which has been prepared solely for the information and exclusive use of the recipient in Switzerland. The articles of incorporation as well as the annual and semi-annual reports, prospectus (all in German or English) and/or key information document (KID) are generally (in German, French, Italian, English) available free of charge from J. Safra Sarasin Investmentfonds Ltd. or at <https://jsafrasarasin.com/content/jsafrasarasin/language-masters/de/products/funds-list.html>. The statements in this document neither can be interpreted as investment, tax or other advice nor do they constitute an offer nor an invitation to buy shares of the Sub-Fund, and do not replace individual advice and risk disclosure by a qualified financial, legal and/or tax advisor.

JSS Investmentfonds SICAV is a UCITS organised as an open-ended investment company (société d'investissement à capital variable – "SICAV") under the law of Luxembourg (the "Fund"), and is regulated by the Commission de Surveillance du Secteur Financier ("CSSF"). The investment described in this document is a sub-fund of JSS Investmentfonds SICAV (the "Sub-Fund"). Potential investors should consult the key information document (KID), the prospectus and all legally relevant local offering documents before making any investment and, in particular, inform themselves comprehensively about the risks associated with the Sub-Fund. Detailed information about risks and rewards is available in the prospectus or KID of the share classes of the Sub-Fund. Past performance is not indicative of current or future performance.

Performance was calculated on the basis of the net asset value and, if applicable, the reinvested gross dividend. When calculating the performance, all costs charged to the Fund and Sub-Fund were taken into account in order to obtain a net performance. The performance shown does not include (if and where applicable) any commissions and costs incurred at investor level on subscription and redemption of shares. Additional commissions, costs and taxes incurred at investor level have a negative impact on performance. Investments in foreign currencies involve a currency risk, as the return in the investor's currency may be higher or lower due to exchange rate fluctuations. The value of the investor's investment may therefore, as well as for other reasons, increase or decrease. Therefore, there is no guarantee that investors will receive back the full amount of their invested capital upon redemption.
