### Fund Portrait

The JSS Sustainable Equity - Swiss SME Plus seeks to achieve long-term capital growth. To achieve this, the sub-fund invests in small and medium-sized enterprises listed in Switzerland. The sub-fund reaches its sustainability characteristics through an engagement approach by individually targeting selected companies to adopt more responsible environmental, social and governance (ESG) practices. Engagements are conducted by the Investment Manager via targeted, constructive dialogue with investee companies. In addition, the sub-fund avoids investments in the JSS Exclusion list as well as laggards in their respective industry.

The Sub-Fund is actively managed without replicating any benchmark. However, the Sub-Fund is managed with reference to SPI Small and Middle Companies CHF TR® (the "Benchmark").
