

Format Swiss Mid & Small Cap Equity

Strategy Factsheet October 2024

Strategy description

The strategy invests in shares of medium and smaller Swiss companies traded on the Swiss stock exchange, and aims at long-term capital growth and outperformance against the benchmark SPI Extra. At selection we prefer companies with the following characteristics: High profitability, healthy balance sheet, good sustainability ratings, intact future prospects and a valuation which corresponds to the expected sales and earnings growth. The investment universe consists of the companies of the SPI Extra (SPI excluding SMI). The portfolio generally includes shares of 20 to 35 companies.
