Investment policy

The investment objective of Lienhardt & Partner Core Strategy Fund (CSF) is to generate an ideal combination of return and growth in the reference currency. This collective investment scheme comprises a globally diversified portfolio. CSF invests globally, primarily in equities and fixed-income instruments. For better diversification, it also invests in commodities (10%) and Swiss real estate funds (5%). The average equity component is 40% and can vary between 25% and 50%. The average bond component is also 40% and can vary between 30% and 70%. The objective is to make real use of the trading ranges in accordance with the investment policy of Lienhardt & Partner. The fund currency is merely an indication of the accounting unit and is not necessarily the investment currency of the fund. A maximum foreign exchange risk of 30% is assumed. The fund is in line with BVG and BVV2 guidelines and can be used as a retirement plan.
