

# Barron Total Return Fund

Factsheet, as of 29/11/2024

## Investment Objective

The investment objective of this fund is to achieve long-term positive returns through capital appreciation and interest income by directly and indirectly investing in traditional assets of various asset classes.

- Recommended Minimum Holding Period: 5 years

## Investment Policy

This fund invests using a systematic approach and on a broad, internationally diversified basis across various asset classes. In addition to direct and indirect investments in stocks, bonds, and money market instruments, the selection also includes, to a limited extent, indirect investments in real estate and precious metals. The fund also utilizes derivative financial instruments for risk management and to fulfill the investment strategy.

## Risk Rating

Low		Medium			High	
1	2	3	4	5	6	7

This risk indicator is based on the assumption that you hold the fund for 5 years (recommended holding period). If you redeem/sell this investment early, the actual risk may significantly differ, and you may receive less than invested.
