

BancaStato Umbrella Fund

BancaStato ESG Vita 60

Monthly report | 31 October 2024

Objectives and Investment Policy

The sub-fund's investment objective is primarily to achieve optimal total return within individual sub-funds through a balanced risk strategy respectively a risk strategy focused on diversification of asset classes in compliance with sustainability criteria. The sub-fund aims to achieve an MSCI rating of at least AA (scale from CCC to AAA, where AAA is the maximum sustainability rating). The sub-fund invests worldwide in bonds, equities and alternative investments. The sub-fund is actively managed and also pursues ESG and associated sustainability aspects in investment decisions. In selecting investments for this sub-fund, the fund management observes the investment requirements valid for financial investments of pension institutions respectively of the Federal Law on Occupational Retirement, Survivors and Disability Pension Plans (LOB) and its implementing ordinances.

Risk indicator

The sub-fund is suitable for investors with high appetite for risk who are willing to accept higher price fluctuations and who pursue an investment strategy oriented towards capital gains. The sub-funds aim for long-term asset growth through capital gains supplemented by interest and dividend income and may not be suitable for investors who intend to withdraw their investment in the respective sub-fund within seven years.
