Investment Strategy

EG Swiss Equities is an actively managed Swiss equity fund. The Fund mainly invests in small and medium sized Swiss enterprises and seeks to outperform the Swiss Mid Cap Index Total Return.

Our preference is to invest in companies which are still controlled by the founders and have a long term perspective. We have a critical view on the financial sector and avoid investments in this sector with few exceptions. We follow a disciplined process using strict quality criteria, which include profit transparency, business soundness and the shareholders' quality.

The investment policy pursues the principle of risk diversification and aims to outperform the benchmark over the long term.
