

## Regnan Sustainable Water & Waste Fund

Fact Sheet | October 2024

Data as at 30 September 2024

A EUR Class

### Fund overview

- The Fund aims to generate long-term outperformance by investing in the listed shares of sustainable companies that provide solutions to global water and/or waste related challenges
- An actively managed, high conviction, diversified portfolio with an ESG integrated process enhanced by Regnan's proprietary ratings and engagement framework
- The team are pioneers in combining exposure to both water and waste value chains, including companies developing new technologies; this means extremely low overlap with global equity portfolios
- Benchmark: MSCI AC World Index
- The use of the Index does not limit the investment decisions of the fund manager therefore the shareholdings of the Fund may differ significantly from those of the Index
- SFDR classification: Article 9. Please click [here](#) for further details
- Please see the [Prospectus/KIID/KID](#) for further information. Please ensure you read and understand these documents before making an investment and wherever possible obtain professional advice

The value of an investment and the income from it can fall as well as rise as a result of market and currency fluctuations and you may not get back the amount originally invested. For further information on risks please refer to the Fund's KIID/KID and/or the Prospectus. Investing in companies in emerging markets involves higher risk than investing in established economies or securities markets. Emerging Markets may have less stable legal and political systems, which could affect the safe-keeping or value of assets. The Fund's investment include shares in small-cap companies and these tend to be traded less frequently and in lower volumes than larger companies making them potentially less liquid and more volatile. NAV of Share Class A in EUR, net income reinvested, net of fees. The A EUR Class was launched on 13 December 2021. Performance of other share classes may vary and is available on request.
