

## Synchrony (LU) EU All Caps I

ISIN LU2404427283

Class I reserved for qualified investors **Like all vehicles investing predominantly in company shares, the fund will expose the investor to a significant risk of capital loss.**

July 2024

### Fund Profile

- An investment strategy that aims to select quality European companies benefiting from growth drivers such as their strong capacity for innovation and their exposure to international trade.
- Fund with dual macroeconomic and micro-economic expertise seeking to define the allocation of the companies selected according to their style and size, coupled with fundamental analysis in order to identify the best investments.
- Conviction fund consisting of a concentrated portfolio of 30 to 40 companies selected from a universe of 300 companies.
- The reference currency of the sub-fund is the euro (EUR).

### Risks

- Market risk: risk of loss that may result from fluctuations in the prices of financial instruments.
- Liquidity risk: liquidity problems in the financial markets that may affect the purchase and sale of fund positions.

This document is a monthly marketing sheet. The information contained in this document is provided for information purposes only and does not constitute an offer or solicitation to subscribe to units/shares in the sub-fund mentioned, in jurisdictions where such an offer or solicitation is not authorised, or to any person to whom it is legally forbidden to make such an offer or proposal. As the fund has no benchmark index, its performance is not compared to such an index.

This document reflects the manager's opinion as at the date of its issuance.

The views expressed in this document do not take into account the specific circumstances, objectives or needs of investors. Investors should talk to a professional advisor if needed.

This document cannot be considered financial research. The investments mentioned in this document may involve risks that are difficult to quantify or incorporate into the assessment of the investments. The risk factors are fully described in the fund's prospectus.

**WARNING**

- The figures shown relate to past years.
- Historical performance is not an indicator of current or future returns. Performance data does not take into account commissions and fees collected upon unit issuance and redemption.
- If the currency of the investor's country of residence is different from the Sub-fund's reference currency, the gains may be increased or decreased depending on exchange rate fluctuations.
- The value of the investment may fluctuate downwards as well as upwards.
- The investment presents a risk of capital loss, up to the total amount of the investment.
- Tax treatment depends on each investor's individual situation, which may be subsequently modified.
