Investment
fund

Objectives and investment universe

Umbrella Fund: BCF / FKB (CH) FUNDS

The fund's objective is to generate regular income and long-term capital appreciation. The fund complies with the investment principles applicable to Swiss pension funds (LPP/OPP2).

Management approach

The fund invests, directly or indirectly, in bonds, equities and other types of investments around the world. Investments in equities represent a minimum of 30% and a maximum of 50% of the fund's assets. Investments are made predominantly in CHF with a maximum foreign currency exposure of 30%. The investment strategy is based on BCF's investment policy.
