

SF Property Securities Fund

Share Class R - NAV CHF 236.41

Description

The fund invests in listed real estate funds and companies, as well as in non-listed real estate funds.

In addition to real estate funds, the product invests in real estate companies that enable additional earnings potential through other value-creation strategies. Investments in unlisted real estate funds stabilize long-term performance and facilitate optimization of the risk profile based on the market phase.

SF Property Securities Fund

ESG-Report

The fund supports the achievement of the Swiss Federal Council's 2050 climate targets and pursues the listed sustainability approaches. The investment objective and the sustainability policy of the SF Property Securities Fund are defined in the prospectus with integrated fund contract. Further explanations on sustainability can be found at www.sfp.ch/en/products/sf-property-securities-fund. The fund qualifies itself as Article 8 SFDR in the pre-contractual information.

Environmentally Relevant Key Figures

Measured variable	Unit	Fund
Energy intensity in operation	KWh/m ² /year	104.6
Share of renewable energy	% renewable of energy consumption	41.5
GHG intensity in operation	kgCO ₂ /m ² /année	11.4

The key figures are based on publicly available information from third-party providers on the reporting date. Not all third-party providers publish information, which is why the degree of coverage is not necessarily 100%. The calculation methods are harmonised. This leads to retrospective corrections, which we apply in each case.

GRESB Rating¹

GRESB Standing Investment	4 von 5
GRESB Score Standing Investment	84 von 100
GRESB Average (Global participants) ²	76 von 100
GRESB Peer Average (Swiss participants) ²	84 von 100
