

BLKB iQ Fund (CH) iQ Responsible Equity Switzerland

Class J CHF

Investment policy

The investment objective of this subfund is real capital preservation and income generation, generally through stock certificates and uncertificated securities.

By investing in this subfund, you gain access to a professionally managed portfolio that uses index tracking to cost effectively follow the development of the equity market while integrating sustainability criteria.

The fund offers investors the following additional relevant features:

- Investors can subscribe or redeem units of the fund on every Swiss bank working day.
- Investors are willing to accept temporary fluctuations in the net asset value of the fund units and are not reliant on realizing their investment as of a specific date. They are also familiar with the main risks of derivatives.
- This unit class does not make regular distributions.
- Recommendation: This collective investment scheme may not be suitable for investors who would like to withdraw their funds from the collective investment scheme within a period of less than seven years.
