

EQUITY FUNDS

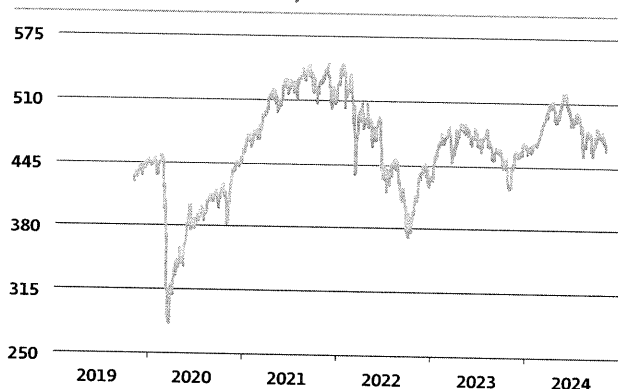

LLB Equities Regio Bodensee ESG (CHF)

per 31.10.2024, LLB sustainability criteria met

Investment policy

The fund invests in small and medium-sized companies (small and mid caps) located in the four countries of the Lake Constance region. This region is characterized by above-average growth rates and it offers an interesting mix of different industries and service providers. The selection of the assets in the portfolio is based on quantitative and fundamental analysis, whereby quantitative methods are given a high importance. The fund is suitable for investors who wish to diversify their portfolio by adding small and mid caps.

NAV performance over 5 years

The value development shown here provides no guarantee of future performance. The value of a unit may rise or fall at any time. The performance data shown do not take into consideration the commissions and costs charged in connection with the issuing and redemption of units.

Sector allocation

Key benefits

- Active management at attractive fees
- Small and mid caps have attractive valuations
- Suitable as addition to a blue-chip-portfolio
- An attractive, export-oriented economic area
- Equity selection using our proprietary multi factor model
- Invested according to the LLB sustainability approach
