

UBS Euro High Yield Bond Fund EUR (USD hedged) I-B-acc

Fund Fact Sheet

UBS Bond Funds > UBS High Yield Funds

Fund description

- The actively managed fund invests primarily in high-yield corporate bonds selected using strict criteria, either denominated in EUR or hedged into EUR.
- When selecting issuers of such bonds, particular attention is taken to spread investments across the various credit ratings.
- The portfolio manager is not tied to the benchmark in terms of investment selection or weight.
- The exchange rate risk between EUR and USD is largely hedged.

Benefits

Investors profit from an actively managed portfolio with high return potential that is composed using strict criteria in terms of security and sector selection and credit quality.

Clients can particularly benefit from UBS's expertise in markets where transparency and access to information may be limited.

The fund represents an attractive addition to a portfolio, offering high return potential and broad risk diversification.

Risks

Depending on the credit quality, the default risk is higher in the case of high yield bonds than with investment grade corporate and government bonds. Changes in interest rates have an effect on the value of the portfolio. This requires corresponding risk tolerance and capacity. All investments are subject to market fluctuations. Every fund has specific risks, which can significantly increase under unusual market conditions. The fund can use derivatives, which may result in additional risks (particularly counterparty risk). This Fund may not be appropriate for investors who plan to withdraw their money before the recommended holding period disclosed in the PRIIPs KID, if available for this share class.

Please note that additional fees (e.g. entry or exit fees) may be charged. Please refer to your financial adviser for more details. Investors should read the Key Information Document, Prospectus and any applicable local offering document prior to investing and to get complete information of the risks. Investors are acquiring units or shares in a fund, and not in a given underlying asset such as building or shares of a company. For a definition of financial terms refer to the glossary available at www.ubs.com/am-glossary.

For marketing and information purposes by UBS. For professional clients / qualified investors only. UBS funds under Luxembourg law. Arrangements for marketing fund units mentioned in this document may be terminated at the initiative of the management company of the fund(s). Before investing in a product please read the latest prospectus and key information document carefully and thoroughly. Any decision to invest should take into account all the characteristics or objectives of the fund as described in its prospectus, or similar legal documentation. Investors are acquiring units or shares in a fund, and not in a given underlying asset such as building or shares of a company. The information and opinions contained in this document have been compiled or arrived at based upon information obtained from sources believed to be reliable and in good faith, but is not guaranteed as being accurate, nor is it a complete statement or summary of the securities, markets or developments referred to in the document. Members of the UBS Group may have a position in and may make a purchase and / or sale of any of the securities or other financial instruments mentioned in this document. Units of UBS funds mentioned herein may not be eligible for sale in all jurisdictions or to certain categories of investors and may not be offered, sold or delivered in the United States. The information mentioned herein is not intended to be construed as a solicitation or an offer to buy or sell any securities or related financial instruments. Past performance is not a reliable indicator of future results. The calculated performance takes all costs on the fund level into consideration (ongoing costs). The entry and exit costs, which would have a negative impact on the performance, are not taken into consideration. If whole or part of the total costs to be paid is different from your reference currency, the costs may increase or decrease as a result of currency and exchange rate fluctuations. Commissions and costs have a negative impact on the investment and on the expected returns. If the currency of a financial product or financial service is different from your reference currency, the return can increase or decrease as a result of currency and exchange rate fluctuations. This information pays no regard to the specific or future investment objectives, financial or tax situation or particular needs of any specific recipient. Future performance is subject to taxation which depends on the personal situation of each investor and which may change in the future. The details and opinions contained in this document are provided by UBS without any guarantee or warranty and are for the recipient's personal use and information purposes only.
