## SUMMARY OF INVESTMENT OBJECTIVE AND POLICY

The Wellington Global Stewards Fund is actively managed and seeks to deliver long-term total returns in excess of the MSCI All Country World Index by investing in the equities of companies globally, that generate high return on capital relative to their peers, and whose management teams and boards display exemplary stewardship to sustain those returns over time. We define stewardship as how companies balance the interests of all stakeholders (customers, employees, communities and the supply chain) in the pursuit of profits and how they incorporate material environmental, social and governance (ESG) risks and opportunities in their corporate strategy. The Fund targets net zero emissions by 2050 in alignment with the Paris Agreement.

## FUND PERFORMANCE (%)

### WHAT ARE THE RISKS?

**CAPITAL:** Investment markets are subject to economic, regulatory, market sentiment and political risks. All investors should consider the risks that may impact their capital, before investing. The value of your investment may become worth more or less than at the time of the original investment. The Fund may experience a high volatility from time to time.

**CONCENTRATION:** Concentration of investments within securities, sectors or industries, or geographical regions may impact performance.

**CURRENCY:** The value of the Fund may be affected by changes in currency exchange rates. Unhedged currency risk may subject the Fund to significant volatility.

**EMERGING MARKETS:** Emerging markets may be subject to custodial and political risks, and volatility. Investment in foreign currency entails exchange risks.

**EQUITIES:** Investments may be volatile and may fluctuate according to market conditions, the performance of individual companies and that of the broader equity market.

**HEDGING:** Any hedging strategy using derivatives may not achieve a perfect hedge.

**SUSTAINABILITY:** A Sustainability Risk can be defined as an environmental, social or governance event or condition that, if it occurs, could cause an actual or potential material negative impact on the value of an investment.

Before subscribing, please refer to the Fund offering documents/prospectus for further risk factors and pre-investment disclosures. For the latest NAV, please visit [www.fundinfo.com](http://www.fundinfo.com).
