

Key Investor Information

This document provides you with key investor information about this fund. It is not marketing material. The information is required by law to help you understand the nature and the risks of investing in this fund. You are advised to read it so you can make an informed decision about whether to invest.

DIGITAL FUNDS Stars Continental Europe (a sub-fund of DIGITAL FUNDS) - class GBP (ISIN: LU0259626991)

This sub-fund is managed by J.Chahine Capital.

Objectives and investment policy

The objective of DIGITAL FUNDS Stars Continental Europe is to outperform the broad European markets (excluding United Kingdom), through the use of a model to identify the "stars" performers.

The sub-fund will invest at least 80% of its net assets in stocks from the EU country members, Norway and Switzerland but excluding the United Kingdom, followed by at least 3 brokers and whose capitalisation exceeds 100 million EUR.

The sub-fund may enter into transactions which are undertaken for purposes other than hedging provided those transactions have no negative effect on the quality of the investment policy.

The sub-fund will use momentum indicators such as the Price Momentum, a statistical concept measuring the significance of a price movement relative to the market, or the Earnings Momentum, that measures the strength of earnings estimates revisions.

An allocation of small and mid caps is incorporated into the portfolio.

The MSCI Europe Ex-UK Net Return will serve as a reference benchmark solely for the calculation of performance fees. Due to the active nature of the management process and the full freedom of investment, the Sub-Fund's performance profile may deviate significantly from that of the MSCI Europe Ex-UK Net Return.

Investors may demand to redeem their units every normal bank business day in Luxembourg.

The revenues of the fund will be distributed yearly after the financial year end.

This share class has the possibility but not the obligation to use derivatives for hedging purposes.

Recommendation: This fund may not be appropriate for investors who plan to withdraw their money within 5 years.

Risk and reward profile

More about this rating

- The risk category is based on return volatility over the last five years. The method used for this estimation depends on the type of fund.
- Historical data may not be a reliable indication for the future.
- The risk category shown is not guaranteed and may vary over time.
- The lowest category does not mean 'risk free'.

Why is this fund in Category 6?

The fund invests in the all cap universe diversified across various sectors and may be subject to high fluctuations in value. Small and Mid stocks can be more volatile than blue-chip stocks. The risk category is therefore driven by small, mid and large cap stock fluctuations.

Further material risks:

- A portion of the fund is invested in less liquid instruments whose prices could fluctuate in certain market conditions
- No Capital Guarantee exists for this product so investors can lose the whole of their investment
- Operational risk inherent in operating this fund (mainly potential valuation and transaction processing failures) is borne by the Fund Management Company which is governed and supervised by independent functions and external auditors as well as regulators

Charges

The charges you pay are used to pay the costs of running the sub-fund, including the costs of marketing and distributing it. These charges reduce the potential growth of your investment.

One-off charges taken before or after you invest	
Entry charge	5.00%
Exit charge	0.00%
Conversion charge	0.50%
This is the maximum that might be taken out of your money before it is invested / before the proceeds of your investment are paid out.	
Charges taken from the fund over a year	
Ongoing charges	1.65%
Charges taken from the fund under certain specific conditions	
Performance fee	15.00%
The Management Company can receive a performance fee in case the share class is outperforming its benchmark, even if its absolute performance is negative. As at 30/09/2021, the performance fee represented 2.00% of the fund.	

The **entry charge** and **conversion charge** shown are **maximum** figures. In some cases you might pay less – you can find this out from your financial adviser.

These **ongoing charges** are the actual charges over the last 12 months. They can vary from year to year. They do not include:

- Portfolio transaction costs, except in the case of an entry/exit charge paid by the fund when buying or selling units in another collective investment undertaking.
- Performance fees.

Please refer to the fund's prospectus, which is available at www.chahinecapital.com, for detailed information about charges, the methodology for calculating the performance fee and concrete examples of its impact on the share class net performance.

Past performance

Performance in the past is not a reliable indicator of future results

The chart shows the class's investment returns calculated as percentage year-end over year-end change of the class net asset value. In general any past performance takes account of all ongoing charges, but not the entry charge. The share class being managed against a benchmark, its return is also shown. The sub-fund was launched in 2006. The class was launched in 2006.

The past performance is calculated in GBP.

The benchmark used from inception date until 30/09/2019 was the MSCI Europe Ex-UK Small Cap Index. The benchmark used from 01/10/2019 is the MSCI Europe Ex-UK Net Return Index.
