Past Performance

This chart shows the fund's performance as the percentage loss or gain per year over the last 5 years against its benchmark.

You should be aware that past performance is not a guide to future performance.

Fund launch date: 2018-12-14

Share/unit class launch date: 2018-12-14

Performance is calculated in EUR

The chart shows how much the Fund increased or decreased in value as a percentage in each year, net of charges (excluding entry charge), and net of tax.

Past performance is not a guide to future performance. The value of your investment may go down as well as up and you may not get back the amount you originally invested.

Performance is shown after deduction of ongoing charges and performance fees (if applicable). Any entry or exit fees are excluded from the calculation.
