What is this product?

Type

The Sub-Fund is part of PrivilEdge (the "Fund"), a public liability company (société anonyme) incorporated under the laws of the Grand Duchy of Luxembourg as an investment company with variable share capital. The Fund is subject to part I of the Luxembourg law of 17 December 2010 relating to undertakings for collective investment in transferable securities ("UCITS").

Term

The Sub-Fund has no maturity date. The PRIIP manufacturer is entitled to terminate the Sub-Fund unilaterally under the circumstances provided for in the constitutive documents of the Fund. A liquidation of the Fund will cause the automatic termination of the Sub-Fund.

Objectives

The Sub-Fund is actively managed in reference to a benchmark. The SBF 120 Net Total Return (the "Benchmark") is used for performance comparison, internal risk monitoring purposes as well as performance fee calculation, without implying any particular constraints to the Sub-Fund's investments. While the percentage of the Sub-Fund's holdings which is different from the Benchmark may vary over time, it is expected to be superior to 50% and the Investment Manager has broad discretion to deviate materially from the Benchmark's securities, weightings and risk characteristics. The degree to which the Sub-Fund may resemble the composition and risk characteristics of the benchmark will vary over time but the Investment Manager has broad discretion to deviate from the Benchmark's securities, weightings and risk characteristics. The Sub-Fund aims to generate capital appreciation over the long term and to outperform the SBF 120 Net Total Return Index. It mainly invests in equity or equity-related securities of companies having their registered office or carrying out their primary economic activity in France. In selecting investments, the Investment Manager look for valuation anomalies of stocks which can potentially reveal the highest quality companies within the target markets. The Sub-Fund permanently invests a minimum of 75% of its assets in European Economic Area equities, and is therefore PEA (Plan d'Epargne en Actions) eligible in France.

This Sub-Fund may not be appropriate for investors who plan to withdraw their money within 5 years.

This product is not a financial product subject to Article 8 or Article 9 of Regulation (EU) 2019/2088 on sustainability-related disclosures in the financial sector (the "SFDR").
