## WHAT IS THIS PRODUCT?

**Type:** This product is a sub-fund of First Trust Global Funds plc (the "Company"), an open-ended investment fund established as a public limited company with segregated liability between sub-funds. The product is an exchange-traded fund.

**Term:** This product is not subject to any fixed term. The Company is open-ended, however, the shares of the Fund or a class may be redeemed by the Company with notice to shareholders in the circumstances described in the Prospectus.

### Objectives:

- The fund aims to provide investors with a total return, taking into account capital and income returns, which reflects the return of an equity index called the NASDAQ AlphaDEX® Eurozone Index (the "Index").
- The fund invests primarily in equity securities that are included in the Index. The fund attempts to replicate, before fees and expenses, the performance of the Index.

It is intended to declare dividends on a quarterly basis.

You may sell your shares usually on each business day (a day on which the London Stock Exchange is open) by sending your request to the administrator.

### Intended Retail Investor:

The product is intended for retail investors who: (i) can bear loss of capital, are not seeking to preserve capital and who are not looking for capital guarantee; (ii) have specific knowledge or experience of investing in similar products and in financial markets; and (iii) seek a product offering exposure to the performance of the underlying index and have an investment horizon in line with the recommended holding period stated below.

**Depositary:** The Bank of New York Mellon SA/NV, Dublin Branch

## WHAT ARE THE COSTS?

The person selling you or advising you about this product may charge you other costs. If so, this person will provide you with information about these costs, and should show you the impact that all costs will have on your investment over time.

### Costs over Time

The tables show the amounts that are taken from your investment to cover different types of costs. These amounts depend on how much you invest and how long you hold the product. The amounts shown here are illustrations based on an example investment amount and different possible investment periods.

We have assumed:

- In the first year you would get back the amount that you invested (0 % annual return). For the other holding periods we have assumed the product performs as shown in the moderate scenario.
- EUR 10 000 is invested

Investment: 10 000 EUR	If you exit after 1 Year	If you exit after 5 Years (recommended holding period)
<b>Total Costs</b>	<b>EUR 83</b>	<b>EUR 596</b>
Annual Cost Impact (*)	0.8% each year	0.9% each year

\*This illustrates how costs reduce your return each year over the holding period. For example it shows that if you exit at the recommended holding period your average return per year is projected to be 8.1% before costs and 7.2% after costs.

### Composition of Costs

One-off costs upon entry or exit		If you exit after 1 Year
Entry costs	We do not charge an entry fee. **	None **
Exit costs	We do not charge an exit fee for this product, but the person selling you the product may do so. **	None **
Ongoing costs taken per year		
Management fees and other administrative or operating costs	0.65% of the value of your investment per year.	EUR 65
Transaction costs	0.17% of the value of your investment per year. This is an estimate of the costs incurred when we buy and sell the underlying investments for the product. The actual amount will vary depending on how much we buy and sell.	EUR 18
Incidental costs taken under specific conditions		
Performance Fee	The actual amount will vary depending on how well your investment performs. The aggregated cost estimation above includes the average over the last 5 years.	EUR 0

\*\* Not applicable to secondary market investors. Investors dealing on a stock exchange will pay fees charged by their stock brokers. Such charges are publicly available on exchanges on which the shares are listed and traded, or can be obtained from stock brokers.

\*\* Authorised participants dealing directly with the fund will pay related transaction costs. Authorised participants switching between the fund and other funds within the Company will be subject to a switching fee of up to 3% of the Net Asset Value per share.

## HOW LONG SHOULD I HOLD IT AND CAN I TAKE MY MONEY OUT EARLY?

### Recommended holding period: 5 Years

There is no minimum required holding period, but it is recommended that the product is held for at least 5 years. However, you can redeem your investment without penalty any time during this period or hold the investment longer. Fees associated with the product are described above.
